

# Project Testament

## Final Project and Presentation

### About this Document

Fill out this document and turn it in as part of your Final Project and Presentation submission. You will most likely want to print, sign, and scan this document, but you may use an image editor if you are able to sign your name with a digital pen.

Carefully complete each section. If this document isn't correctly filled out and submitted with the assignment, **the assignment grade will incur heavy penalties.**

### Basic Information

<b>Course Number</b> (e.g., CPSC-120)	CPSC 411
<b>Course Section</b> (e.g., 02)	03
<b>Your full name(s)</b> (use the name associated with our school)	Josue Han Yan Tai Liu (CWID 885540690) Maria Fernandez (CWID 887569838) Danyal Nemati (CWID 886736347) Indrajeet Patwardhan (CWID 886908821)
<b>Github Repository URL</b>	<a href="https://github.com/2023-fall-puhp-csuf-cpsc-411/final-project-and-presentation-icode_duology_4x">https://github.com/</a>  2023-fall-puhp-csuf-cpsc-411/final-project-and-presentation-icode_duology_4x

## Items Completed

Clearly mark one of the check boxes in each row to confirm whether each of the following items have been completed. Carefully check each row for accuracy; Each incorrectly marked row may carry a **huge penalty on this assignment's grade and be subject to our institution's academic dishonesty policies.**

Additionally, add a **typed** description of where each item can be found in your app, and how to get there easily.

Completed	Not Completed	Item
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The signed and completed version of this document is present in the repo as a multi-page PDF, not several image files.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<b>Requirement:</b> API Based User Interface  <b>How to find:</b>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<b>Requirement:</b> Interactive Assets  <b>How to find:</b>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<b>Requirement:</b> Text Input and Delegation  <b>How to find:</b>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<b>Requirement:</b> Internationalization and Localization  <b>How to find:</b>
